In the original publication of the article, the “Ethics approval and consent to participate” statement was incorrectly given as “All patients signed the informed consent. The present study obeyed Declaration of Helsinki. Study approval was obtained by the ethical committee of the authors’ affiliation (No. HPHP-2018-0095)”. The corrected statement should read as “All patients signed the informed consent. The present study obeyed the Declaration of Helsinki. Study approval was obtained by the ethical committee of Hunan Provincial People’s Hospital [2023]-59”. The original article [1] has been corrected.
